Inside the Child: Social and Emotional Development

Ever wonder why children do what they do? This interactive training will give participants a chance to look at a child's behavior from the "inside-out." Participants will examine children's temperament and development in relation to children's behavior. (Curriculum from the Center for Inclusive Child Care)

Participants will receive a copy of Children and Challenging Behavior, a \$16 value
Workshop cost: \$35

Thursday, May 14, 2009 6:30 – 8:30 pm (registration opens at 6pm)

Overview of Autism Spectrum Disorders and basic Inclusion Strategies

This will be a discussion of what Autism is as well as the other disorders that fall on the spectrum. Will talk about the difference between Autism and Asperger's disorder. Some general strategies will be discussed.

Workshop Cost: \$25

Thursday, May 21, 2009 6:30 – 8:30 pm (registration opens at 6pm)

Supporting Sensory Preferences in Young Children

This interactive workshop will describe the characteristics of Sensory Processing Disorder and sensory sensitivities. Children have unique sensory preferences and they can interfere with learning, social growth, and may result in challenging behaviors. Strategies and sensory activity ideas will be presented as well as discussion of our own sensory preferences and how this impacts our planning in a classroom or with children.

Participants will receive a copy of Supporting Sensory Preferences in Young Children, a \$15 value.

Workshop cost \$35
