Tools for the Toolbox: Strategies to Meet Challenging Behaviors

Professional Training with Coaching Included

Wednesday August 5, 2026
6:00-8:00pm - **Via ZOOM**

Develop Approved KCF:

II.C: Promoting Social and Emotional Development

Our trainings are unique because of their foundation in coaching.

This training provides participants with an opportunity to explore the common reasons behind children's behaviors and develop a deeper understanding of why behaviors happen. Through reflection and practical strategies, participants will learn approaches they can implement to support children's needs and guide behavior.

Following the training, participants will be invited to participate in a 1-hour group coaching session (via Zoom) to reflect on their learning, discuss real-world applications, and receive support in putting new strategies into practice.
