

PREDICT, PREVENT, PROTECT: MASTERING ACTIVE SUPERVISION

Thursday, March 19, 2026

1:00 - 2:00 pm

Hosted by:

Laura Walser

CICC Training Coordinator
& Early Childhood Coach

Register Today

Active supervision is the foundation of ensuring behaviors do not become safety concerns. In this session, we will explore proactive strategies to help you predict and de-escalate unsafe behaviors before they occur, while reviewing specific plans and policies designed to guide your response when challenges arise.
